#### Absence during WA

*Students should submit their Medical Certificate(s) if they are ill and unable to sit for any paper(s) when they return to school.*

*For absence without Medical Certificate(s), the student will be given 'Absent' (AB) for the papers missed.*

*Only Medical Certificates issued by a medical practitioner registered under the Medical Registration Act will be accepted.*

*For absentees due to competitions, etc - VR is given only if students cannot be present during the paper itself. If they are in school at the time of the paper, they are required to sit for it.*

#### Guidelines for late/non-submission of take-home projects and assignments

*All take-home projects/assignments which are submitted later than the due date will be penalised.*

*In cases where late or non-submissions arise due to valid reasons (e.g. medical leave, hospitalisation leave, family emergencies, etc.), the grading of the assignment will be considered on a case-by-base basis.*
